# SOCIAL MEDIA MARKETING

In order to effectively elevate your social media, there are several things that have to be done:

- **Social media audit:** Here I help you understand your channels and come up with a list of recommendations for improvement
- **Social media mapping:** Together we'll come up with an effective plan for your social media strategy
- **Social media analytics:** With the support of some social listening tools, we can decipher what is needed to improve social media performance

## PRICES

### FREE CONSULT

Let's set some time out to talk about whatever it is you need. However, this is only a 15-minute conversation and I would not offer tangible solutions.

### \$50 per hour

Not looking for a three month commitment, hire me by the hour! There is a 20 hour minimum for booking me by the hour. This however is negotiable. Ask me!

### \$1500 All Inclusive

For three months, I will not only map out your social media marketing policy, I will also execute and take control of your channels. \$500 down payment will be required.
